

UCSF School of Pharmacy Pathway Preference Form**Class of 2012**

Pathway declaration information is online at:

<http://pharmacy.ucsf.edu/pharmd/curr/paths/declare/>

Please complete and return to the OSACA no later than 5:00 pm **Friday, January 22, 2010**.
Pathway assignments will be confirmed by February 5, 2010.

Name: _____ email: _____

Address: _____

Phone: _____

If you wish to apply to more than one pathway, please rank them by number (e.g., 1 for your 1st choice, and so on). Otherwise, please indicate the pathway of preference by putting a check (✓) next to the name of that pathway.

- Pharmaceutical Care
- Pharmaceutical Health Policy & Management*
- Pharmaceutical Sciences*

** I understand that if I do not match with the Pharmaceutical Health Policy and Management pathway or the Pharmaceutical Sciences pathway, that I will enter the Pharmaceutical Care pathway.*

The following apply to the completion of the Pathway and the Pharm.D. curricula:

- I understand that once matched to a pathway, the Pathway Committee and the Office of Student & Curricular Affairs must approve a change in pathway choice. I also understand that changing pathways after the initial pathway assignments are made can significantly alter my academic program including, but not limited to: 1) where I complete my clinical rotations (e.g. Davis, Fresno, etc.); 2) eligibility for financial aid; 3) when I will graduate.
- I will work with my pathway advisor and/or participate in the APPE assignment process to develop a plan to complete my pathway and elective courses in a timely manner. It is my responsibility to make sure all requirements for the pathway and the degree are completed by my anticipated graduation date.
- I understand that if I am matched to the Pharmaceutical Care pathway, I may be required to complete my program at a location other than San Francisco.

I have read and understand the requirements outlined above.
